

# Building Compliance Checklist

Can you tick each box confidently for your building?

- Certificate of Plant Registration
- Asbestos Register
- WH&S Compliance Management Plan
- Fire & Evacuation Compliance Management Plan
- Records of Evacuation Training
- Certificate of Occupancy
- Annual Thermoscan Records
- Maintenance Records of Infrastructure to AS
- Sign-In Register and Records of contractor Site Inductions
- Hazardous Materials Register

**If you answered 'no' to any of the listed items, there is a risk of incurring a fine.**

Heavy penalties may apply if someone becomes injured due to your building failing to meet compliance regulations, or the committee has been found to be negligent.
